Book Title: *Kimchi and Calamari*

Author: Rose Kent

This book is: _fiction _nonfiction

Summary (Don't give away the ending!)

This book is about an adopted Korean boy who is living in an Italian family and wants to find out about his birth parents. Unfortunately, his adoptive parents are not ready to help him, so he sets off with his best friend to research his roots.

What was your favorite quotable quote from this book?

My favorite quote from the book is "Mom has this Italian saying, *niente per niente*, meaning you have to give to get" (20). This is a meaningful life lesson that Joseph needs to learn, and we need to all learn that too.

Recommendation

This book is _Good _Great _Excellent

The author uses humor, sports, and family stories to keep the reader interested in Joseph's journey.
